REPRESENTATION FROM CAM & DURSLEY GREAT WESTERN AIR AMBULANCE CHARITY SUPPORTERS GROUP 10221

Ms Harris was representing the group on behalf of Mr Andy Markham, the chair who couldn't attend this evening's meeting. The fledgling group have been recently formed by members of the health profession who wanted to support the Air Ambulance. The Air Ambulance receive no funding from central government, and it requires a budget of £3m per year to carry out, on average, 5 flights per day. The Great Western Air Ambulance includes an area where 2.1m people reside in the south west region including Bristol, Bath, South Gloucestershire and Gloucestershire. Cam & Dursley can be reached in approximately 6 minutes with the medical staff and pilot trained to deal with many emergency situations they may be required to attend including blood transfusions, amputations, cardiac arrest and trauma injuries. The expense of one flight is estimated to cost £1,700 based on a flight duration of 16 minutes.

Cllr A Stennett commented that if everyone of the 2m people in the area covered by the Great Western Air Ambulance donated £1.50 the £3m budget would be fully met.

Ms Harris was thanked for her report and left the meeting.
