

DURSLEY TOWN COUNCIL **DURSLEY BURIAL GROUND – FEES & CHARGES**

The following FEES, PAYMENTS AND SUMS will operate from the 1st April 2022.

The fee structure reflects the contribution made by residents of Dursley via local taxation. To qualify for the lower fee scale, the person interred/to be interred must have lived within the town boundary during the last three years of life, otherwise the higher sum, bracketed and in italics, will apply.

Please read the Cemetery Regulations in conjunction with the schedule below, and note that **Dursley Town Council must be advised and agree to any interment and/or installation of any type of memorial before the event takes place.**

Interment and memorial fees are to be paid at the time of booking. Please note that the Rectors fee is payable direct to the Rector of Dursley for all matters regarding St Mark's Cemetery, and is subject to change.

Garden of Remembrance. In the case of the Garden of Remembrance at Kingshill Cemetery, the area is closed for the interment of cremated remains, unless there is a strong case presented by a family and accepted by the Council.

Children's Funeral Fund for England (CFF). In relation to the interment fees for children under the age of 18 years or stillborn after the 24th week of pregnancy, the Council as a burial authority can claim from the Children's Funeral Fund for England so that the burial of a child, or the interment of the cremated remains of a child, can be provided free to the parent(s), guardian or carer of the child, at the point of need. This also includes fees charged for ERB purchase and renewal of the right of burial and memorial permission fees. Note: Certain eligibility criteria apply, for technical guidance see <https://www.gov.uk/government/publications/childrens-funeral-fund-for-england>
