Changing the Vibe!

Dursley Neighbourhood Policing Team has recently received funding and has managed to set up a Reward Point Scheme at the Vibe Youth Club. Teenagers at the Vibe will have the opportunity to do something positive for their local community that will earn them points which they can then exchange for Reward Trips. The idea behind this is to hopefully start them from a young age respecting the town and their community. 10 individuals have already signed up to the scheme on its first day! We would like to thank Dursley Lions for contributing funds to this scheme and we are also hoping to receive further funding from County Councillor Loraine Patrick. So a big thank you to all individuals involved.

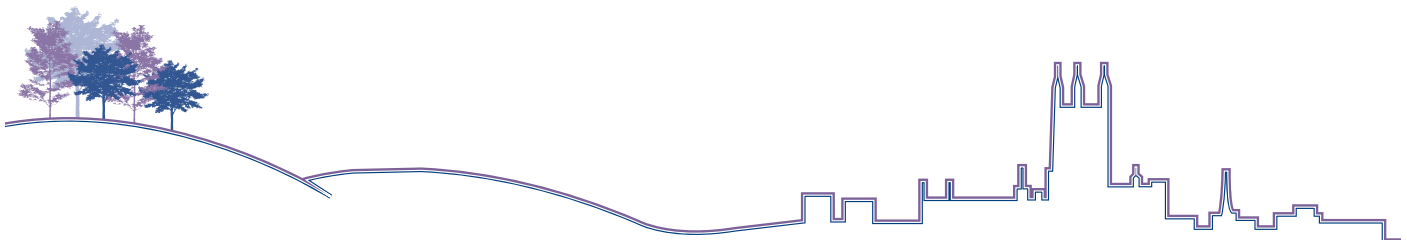

Dursley in Bloom

Dursley Neighbourhood Policing Team are once again teaming up with Rednock School and Dursley in Bloom to help reduce the amount of vandalism in the town by making more wooden Pallets.

This year they have been making the Planters in Breakheart Community Project.

We would like to thank the Students from Rednock School and Breakheart Community Project for their hard work in making the planters and also Dursley Lions that have helped fund it.

We would also like to thank the Rednock Students for doing a Litter Pick on the day of the judging. Approximately 45 students helped collect litter from around the Town Centre.

Childrens car seats

Dursley Neighbourhood Policing Team with Gloucestershire Road Safety Partnership recently attended Highfields Primary School, Uley Primary School and St Joseph's Primary School in Nympsfields with the Road Safety department giving safety advice on Children's Car Seats and PCSO Joshua Griffiths property marking the children's bicycles.
