

Dursley Neighbourhood Policing Team

Dursley Lions

And finally Dursley Neighbourhood Policing Team would like to thank Dursley Lions in donating money for a Drive for Life event currently being organised for the 15th March. The Drive for Life event is a road safety educational packaged designed for the sixth formers, using a 'hands on' approach to educate them about effect and consequences of dangerous driving. The donation from the Dursley Lions has helped pay for an exhibit showing the effects of Drink/drug driving. We would like to personally thank Dursley Lions for their support in this scheme.

Dangers and effects of Drugs

During January, Dursley Neighbourhood Policing Team has been educating Students about the Dangers and effects of Drugs. PCSO Joshua Griffiths attended Rednock School, during the lunch time and the Vibe Youth Club with a drugs box and information about the consequences of taking drugs.

Rednock Sixth Form

Dursley Neighbourhood Policing Team recently set up an educational day for the Sixth formers at Rednock School about how to be safe when drinking Alcohol. The idea behind this was for the students to be aware of the effects and consequences for alcohol, especially when they head off to university. They were given scenarios of potential situations they could get themselves in and discussed how to prevent this from happening. They were even given a free first aid course by St Johns Ambulance on how to check for breathing and put people in the recovery position.

Be aware that PCSO 9248 Oliver Clark will be holding "Drop In Sessions" in Uley and Nympsfield. This is an opportunity for you as residents to bring any concerns to the attention of your local Policing Team.

Uley (Outside the Community Shop, The Street, Uley)
Sunday 6th March 2016 at 1pm

Nympsfield (Outside St Joseph's Primary School, Front Street, Nympsfield)
Sunday 6th March 2016 at 2pm
