4. MINUTES

The Minutes and Report of the Meeting of the Planning Committee held on the 12th January 2021, having been circulated among the members, were taken as read, confirmed and signed by the Chairman as a correct record.

5. PLANNING APPLICATIONS

Councillor Whitwell introduced the following applications:

- i) **S.20/2632/LBC** 6 Parsonage Street, Dursley, GL11 4EA
Demolition of outbuilding, extension to the rear garden wall, and associated works.
IT WAS RESOLVED: No observations.

Councillor Rubin joined the meeting.

- ii) **S.20/1976/FUL** Land To The Rear Of 25 - 26 Union Street, Dursley
REVISED PLANS - Conversion of B1a building to form two dwellings and a residential development of four dwellings with associated works.

IT WAS RESOLVED: That the Council's original objection still stands as follows: Council objects to the proposed residential development of four dwellings. There is not enough room to accommodate four new dwellings and it would result in a cramped, overdeveloped site, contrary to Policies HC1 and CP8 in the Stroud District Local Plan 2015. The Council does however support the proposed work to convert the existing building into two dwellings, appreciating the effort to improve the street scene, and would support a residential

development of three new dwellings, as opposed to four, as a maximum on the site. The proposed new dwelling nearest Harrolds Close on the plan should be removed. The Council supports the conditions recommended by Stroud District Councils Biodiversity Team dated 14/10/20.

- iii) **S.21/0078/HHOLD** 25 Hill Road, Dursley, GL11 4JQ
Erection of single storey and second storey rear extension (resubmission following permission S.20/0845/HHOLD).

IT WAS RESOLVED: No observations.

- iv) **S.20/1950/FUL** 35B Parsonage Street, Dursley, GL11 4BP
Retrospective - Installation of raised platform and the erection of container.

IT WAS RESOLVED: The Council objects to the development given its adverse impact on the Town Centre public realm and conservation area.

It is contrary to policies CP14 and ES10 of the Stroud District Local Plan 2015 and policies TC1 and D1 in the Dursley Neighbourhood Development Plan 2018.

The purpose of Policy TC1 of the Dursley Neighbourhood Development Plan 2018 is to support proposals which deliver enhancements to the Town Centre and public realm, including opportunities to refurbish existing buildings and improve frontages as well as pedestrian links and public squares. Castle Street and Parsonage Street are identified as Town Centre Character Areas within this and the supporting Dursley Urban Design Framework 2007. Policy D1 also supports this further in terms of character and design.

The site occupies a prominent position in a conservation area and is on the pedestrian 'Link' gateway area to the Town Centre, linking Castle Street and Parsonage Street, and is one which Council has, over the years, tried to improve the appearance of with various schemes. The most recent being the green railings adjacent to the proposed development, facing Castle Street.

The development is inappropriate for the area and its setting, the platform, container and waste bins detract from and adversely impact the improvements undertaken to the public realm in recent years.

- v) **S.21/0110/HHOLD** 54 Woodmancote, Dursley, GL11 4AQ
Replacement veranda with larger roof.

IT WAS RESOLVED: No observations.

- vi) **S.21/0027/HHOLD** 14 Burnt Oak, Dursley, GL11 4HD
Single storey rear extension.

IT WAS RESOLVED: No observations.

- vii) **S.20/2741/VAR** St Marks Rise, Woodmancote, Dursley
Variation of Condition 1 (Approved Plans) of S.19/1064/VAR - Replace Site Plan and Proposed Streetscene.

IT WAS RESOLVED: The Council strongly objects to the proposed variation. It is contrary to policies ES3 and HC1 in the Stroud District Local Plan 2015.

The area to the front, adjacent to plot 10 and the A4135, had originally been approved for garden/bin storage space (under S.19/1064/VAR) and this should remain the case.

The revised plans leave it as existing and, as it is, the area is routinely used as a parking space and results in hazardous vehicle manoeuvres directly onto the A4135. It is considered by Council to be a highways safety issue that needs to be resolved.

In relation to the dismissed appeal for S.13/1437/FUL, an earlier application for this site, the Planning Inspector expressed concerns about parking bays that required manoeuvring on the A4135 to access and exit the bays (APP/C1625/A/14/2226364 para. 31).

The Council also supports the objection raised by 28 Woodmancote. The proposed changes and the use of gravel to the right of way access path are unacceptable and would adversely impact safe access.

- viii) **S.21/0291/HHOLD** 54 Uley Road, Dursley, GL11 4NN
Erection of a porch.

IT WAS RESOLVED: No observations.
