

Future Dursley NDP Regulation 14 Consultation 10 November 2017 - 12 January 2018 - Consultation Feedback

NDP Consultation held on 11 November 2017 alongside SDC Local Plan Review at Dursley Methodist Church 9.30-12.30

Number	Consultee	Specific Interest	Points raised by consultee	Plan Response
1	Mr R Swift	Dursley Resident	Potential development in Land off Shakespeare Road	Development outside the current settlement boundary is not supported in the plan.
2	David Smith	Dursley Resident	He wanted to know what progress was being made with the Greenway Project	Transport policies in the NDP are supportive of the Greenway Route as a way to achieve improved connections for cyclists and pedestrians within and through town.
3	Mr Bloodworth	Dursley Resident	He supports Land off Hardings Drive as a proposed Local Green Space	The NDP supports Land off Hardings Drive as a proposed Local Green Space
4	Graham & Jay Morgan	Dursley Residents	1. They support Land off Hardings Drive as a proposed Local Green Space. 2. They wanted to know the impact of the Parliamentary boundary change on the LA boundary.	1. The NDP supports Land off Hardings Drive as a proposed local Green Space. 2. A Parliamentary boundary change does affect the LA boundary
5	Mr & Mrs Golding	Uley Residents	They were supportive of the NDP	
6	Mr & Mrs Ind	Dursley Residents	They support Land off Hardings Drive as a proposed Local Green Space	The NDP supports Land off Hardings Drive as a proposed Local Green Space
7	Mrs B Malecki	Dursley Resident	Potential development in Land off Shakespeare Road	Development outside the current settlement boundary is not supported in the plan.

8	Richard Hellen	Dursley Resident	He was interested in the housing objectives and policies and how to raise awareness amongst residents of the potential opportunities to develop any spare land they may have to deliver housing on infill sites.	The NDP supports development of small infill and disused/underused sites.
9	Conrad & Pippa Moore	Dursley Residents	Figure 6 (page 23) Town Centre Urban Design Framework Map contains an error.	The map will be corrected to rectify this.
10	Becky Hoyle	Dursley Resident	Need a space for small business owners to regularly meet up and discuss ideas.	Not specifically an NDP issue. Policies within the economy theme are supportive of small businesses.
11	Mr & Mrs Lee	Dursley Residents	Potential area for enhancement 1 - Old Dairy, Prospect Place and 11 May Lane. They were keen to ensure any proposed planning application from developers took account of the complex issues surrounding this brownfield site.	NDP identifies the complex range of issues associated with this site and development principles have been written to address these.
12	Mr J Crellin	Dursley Resident	If Land off Hardings Drive were to be developed a new access road would be required.	NDP does not support development of land off Hardings Drive. This site has been supported as a proposed Local Green Space.
13	E Cooper	Dursley Resident	Housing for older people should include bigger living space. Further comments as a written submission received 11/1/2018. Request to have a statement in NDP 'to explore and protect the unique character and history of Ferney'	Housing policies support delivery of high quality living accommodation for all of the population. NDP response to written comments tbc.

Total 18

Individual callers to DTC office & written correspondence received

22	Mrs T Dyer	Dursley Resident	Supports the protection of green spaces	8 LGSDs supported in NDP
23	Mr & Mrs Sheldon	Coaley Residents	Supports the NDP	Noted with thanks
24	Mrs Holbrook	Dursley Resident	Supports the NDP	Noted with thanks

25 Mr & Mrs Hill	Dursley Residents	Supports the NDP	Noted with thanks
26 Mr & Mrs Turner	Stinchcombe Residents	Supports the NDP	Noted with thanks
27 Ms Holford	Stinchcombe Resident	1. Supports the NDP 2. Would like to see a greater range of shops. 3. Dislikes the library building	Support for the NDP noted with thanks.
28 Ms Mingham	Dursley Resident	There is insufficient parking in Dursley	New Long Stay Car Park in Long Street should help address this.
29 Mr & Mrs Greenwood	Info not captured	New housing should be low rise and built on brownfield sites	The plan supports this through its development strategy and policy D1 which covers Character & Design.
30 Mr Wall	Stinchcombe Resident	Preserve Green Spaces	8 LGSDs supported in NDP
31 Mr D'Onofrio	Dursley Resident	Supports the NDP	Noted with thanks.
32 Ms Thorn	Dursley Resident	Supports the NDP	Noted with thanks
33 Mr & Mrs - Names not captured	Cam Residents	Supports the NDP	Noted with thanks
34 Mr Mercer	Dursley Residents	Support for Highfields play park and field as a Local Green Space.	This is one of the proposed LGSDs in the plan.
35 Mr Evans	Dursley Resident	He raised the importance of using a footpath to link Littlecombe to the town centre via Sainsbury's	When commenting on planning applications for the Littlecombe development DTC has consistently stated the importance of connecting the site with a footpath to the Town Centre. Transport policy T2 addresses this.
36 Mrs Tearle	Dursley Resident	Would like to see improvements to May Lane. On the whole likes Dursley as it is.	May Lane is Potential Area for Enhancement 2 in the plan. Improvements are also part of the Dursley Urban Design Framework.
37 Mrs Hyde	Dursley Resident	Development should be on brownfield sites	Supported in the plan through the development strategy and Potential Areas for Enhancement.

38 Mr Turner	Cam Resident		The beauty of the surrounding countryside is recognised with the existing AONB landscape designation which covers about two thirds of the area around the town. Environment & Sustainability policies ES2 - Ancient woodland & ES3 Key Views and Landscape address this.
39 Mr Meidlinger	Dursley Business Owner	Likes Dursley and surrounding countryside He raised a query about map on page 23 - proposals in the Dursley Urban Design Framework.	Map checked. There are no changes to existing pedestrian or vehicle access proposed.
40 Ms Atkins	Cam Resident	1. Likes The Pulse & 2. Would like improvements to the Local Bus Service	Services & Facilities Policy 1 supports the improvement and protection of existing community facilities and assets.
41 Mr & Mrs King	Cam Residents	Developers should not 'land -bank' and new housing should include affordable housing.	Housing Policies H1 & H2 support housing for all as well as affordable housing.
42 Ms Thompson	Uley Resident	Dursley has made lots of progress over the last few years and there is something for people of all ages.	NDP Vision, objectives and policies aim to ensure there is something for everyone in terms of future development.
43 Mr Boyd	Uley Resident	Supports the NDP	Noted with thanks.
44 Ms Cox	Dursley Resident	1. Need more affordable transport. 2. Likes Highfield Play Park & Field.	1. Not NDP specific 2. Highfields Play Park is in the plan as a proposed LGSD.
45 Mr & Mrs (Names not captured)	Dursley Residents	1. Need for affordable housing for young people. 2. Local jobs.3. More local shops with affordable prices.	Affordable housing is supported by NDP Housing policies. Economic policies support local businesses and a thriving town centre.

46 Mr Doughty	Dursley Resident	1. Starter home for business/rent a desk. 2 Supports the Greenway/cycle friendly	Economic and Transport policies in the NDP support small businesses and the Greenway Cycle project.
47 Mr & Mrs Ind	Dursley Residents	1. Keeping Green Spaces 2. Houses with bigger gardens	Proposed LGSDs support protecting green spaces.
48 Mr & Mrs Jones	Dursley Residents	1. Dursley is pretty good. 2. Needs a proper street market from time to time. 3. Can walk to everything. 4. They like the outdoors. 5. Littlecombe is very attractive.	General comments noted. Economic policies support a vibrant Town Centre.
49 Two guys (Names not captured)	Dursley Residents	1. They love Dursley. 2. They wish people would respect their environment more.	General comments noted. Environment and Sustainability policies ES1, ES2 and ES3 protect the surrounding environment.
50 Mr Kirlan	Dursley Resident	1. Would like a footpath to Dursley from Littlecombe. 2. Supports the cycle path (Greenway) through Littlecombe.	The importance of linking Littlecombe to the Town Centre with a footpath has been consistently stated by DTC when commenting on planning application. Transport policy T2 supports improving connections for cyclists and pedestrians.
51 Mr Baldwin	Dursley Resident	Supports the protection of Green spaces	There are 8 proposed LGSDs in the plan.
52 Ms Norbury	Dursley Resident	The lack of parking for properties at Woodmancote deters families taking older properties.	Transport Policy T1 supports provision of car parking especially development which provides higher levels of car parking than mandated in the Stroud Local Plan.
