REPORTS FROM COUNTY OR DISTRICT COUNCILLORS

10104

Cllr Loraine Patrick reported that a community transport option was being reviewed to provide an additional bus service.

Cllr Fryer reported that the Tenant Involvement Plan was underway with the post being advertised.

Cllr Cornell reported that Cllr Alison Haywood had resigned her district councillor position as she has moved away from the area. A by-election will be held which could coincide with the Neighbourhood Development Plan referendum on the 15<sup>th</sup> November. Doina will include the referendum in her last leader's diary before the election purdah period commences.

Cllr Cornell updated the Council on the Local Plan Strategic Consultation which has been delayed due to concerns raised at the recent Environment Committee over site allocations. The eight-week consultation is likely to take place in early 2019 and includes sites within Dursley. This is the beginning of a long process which will see the plan adopted in 2020, Cllr Cornell hopes that Dursley Town Council will continue to engage in the process. This hybrid strategy proposes two large settlements (Sharpness & Wisloe Green) and dispersal sites within the district.

SDC will consider their budget for 2019/20 on 4<sup>th</sup> October 2018, with reserves being using to lessen the impact of reduced funds from central government etc.

Cllr Cornell met with the Mayor and Town Clerk earlier to discuss the charge associated with the Remembrance Day road closure. SDC had been unable to respond fully prior to the matter being raised in the local press and social media. Cllr Cornell felt this had political consequences and that several distressing comments had been posted on social media with the rules of the Facebook group "Dursley Matters" not being enforced. It was acknowledged this was not managed by the Town Council.

Cllr Cornell stated she will be proud to lay a wreath as Leader of the District Council on the 11<sup>th</sup> November and that this disagreement should not detract from the importance and significance of this year's remembrance service. Stroud District Council have agreed to review their policy for local road closures to endure a consistent approach is adopted in future.

Cllr Cornell was asked to confirm what additional costs were borne by the Council and was this not an "inhouse" service performed by staff working their "normal day". Cllr Cornell responded that many "inhouse" services were subject to a charge, e.g. Planning. Charging for road closures had been the District Council's policy since 2007 although it would appear there have been some discrepancies which have now been highlighted by Dursley Town Council.

2<sup>nd</sup> October 2018

REPRESENTATION FROM NEIGHBOURHOOD WARDEN

10105

New warden Andy Beamish introduced himself and provide an update on the restructure of the service, changes to shift patters and the roles being performed by the neighbourhood wardens including Careline visits. Andy had performed 10 such visits in the last week.

To receive an update from the Dursley Neighbourhood Police team

10106

**IT WAS AGREED** to bring forward the agenda item 17.2 and ask PCSO Lifton to provide his update. Between 3<sup>rd</sup> September and 1<sup>st</sup> October 2018; 66 incidents had been recorded of which only four were classed as Antisocial Behaviour – a significant improvement on the first half of 2018. A total of 27 Crimes were recorded, predominantly theft and shoplifting. The police had been called to two road traffic collisions during this timeframe.

One new PCSO had started working in Berkeley area with an existing Stroud based PCSO about to commence duty in Dursley.

Cllr Fryer, Andy Beamish and PCSO Lifton left the meeting.
