9. REGARDING LAND AT MAY LANE AND PROSPECT PLACE, DURSLEY:

Members noted the following points regarding the above site:

- On 7<sup>th</sup> March 2019 a report went to Stroud District Council's Strategy and Resources Committee regarding proposals for a potential town centre regeneration scheme.
- A private scheme was attempted on the old dairy site off Prospect Place but the planning application was eventually withdrawn and progress halted.
- The Strategy and Resources Committee resolved to fund the feasibility studies (£50,000) for a wider project at May Lane. Over the coming months work would commence to start pinning down the technical details and to decide on the type of scheme and indicative timelines. They envisage real progress over 2019.

**RESOLVED:** That the Town Clerk would write to Stroud District Council welcoming the report and the decision to proceed with the feasibility studies. A request would be made for the Town Council to be party to the discussions surrounding the project and the stages moving forward, given the site is identified in the Dursley Neighbourhood Development Plan 2018-2031 as a Potential Area for Enhancement in the Dursley Development Strategy.

10. TO CONSIDER THE RESPONSE FROM STROUD DISTRICT COUNCIL IN RELATION TO COUNCIL'S ENQUIRY REGARDING:

Site PS 29 Land North of Ganzell Lane and its inclusion in the Local Plan Review despite previous refusals by Stroud District Council (S.14/0966/OUT) and the Planning Inspectorate (Appeal Ref: APP/C1625/W/15/3007972 Land off Shakespeare Road, Dursley, Gloucestershire).

The response was considered and noted. The Town Council would keep a watching brief on the Local Plan Review process and the next stages.

11. AREA PLANS AND CONSULTATIONS

- i) Stroud District Council's Consultation on the Draft Housing Strategy 2019-2024 (Deadline: 2/5/19).

**RESOLVED:** That Councillor Hayes review the consultation and report back to the Committee in April 2019.
