

Do you care about your Dursley Street?

***What improvements would make it a better place to live?
What are the issues for you and your neighbours?***

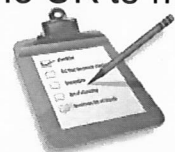

As part of the work currently being carried out to develop the Dursley Neighbourhood Development Plan, we are keen for local residents to carry out a short simple Street Audit on their local street or within an area of the town they know well.

Please help with this exciting local project!

We are looking for people who will spend 1 or 2 hours, with a camera and clipboard, to record the key practical issues on your street and to look at ways that the street can be improved – such as dropped kerbs, footpath resurfacing, getting rid of old street furniture, better bus stops, street lighting, or getting rid of overgrowing vegetation.

**If you are interested come along to
Dursley Methodist Church, Castle Street
at 7pm on Wednesday 16th July**

You will have the opportunity to find out how to do an audit and can also see first-hand the kind of audits that have been carried out already in the Dursley area, and how the audit approach has been used elsewhere in the UK to make a real difference to the way people get around.

**Please contact Dursley Town Council to let us know you are coming
Tel: 01453 547758 E-mail: ndp@dursleytowncouncil.gov.uk**
