You can now navigate to each of our venues using the mobile app "What 3 Words". It is available for iOS and Android and it's free. Open the app and type in the three word identifier for the venue you want and you will be led right to the door. You still have to look where you are going though!

We would like to extend our thanks to the following shops for displaying artwork during the Art Week.

- Armstrong and North Opticians
- Cobblers
- Let it Go, Hair & Beauty
- That New Shop
- Longfield Bookshop
- Daisy Belle Floral Design
- Inches
- Norville's Opticians
- Belle's Kitchen
- Dursley Meccanica

Primary School

## ART CHALLENGE

This year we have challenged local primary schools to produce some large scale works of art. We have chosen three famous artworks that are to be displayed in the library ( ///resolves.allows.weaned )

To allow each student the opportunity to show their skills the artworks are divided up into small rectangles. Each child is allocated a portion of the whole piece and paints it in their own way. It is only when everyone has finished and the pieces are all put together that the finished piece can be seen as a whole. Even though everyone will have worked from the same original, they will bring their own style and colour sense to the work. No two sections will truly match but we are hoping that something special of its own will emerge.

Let's go and see

## Rednock School

This year the Tyndale team are pleased to welcome some of the Art and Photography students from Rednock School to participate in this year's event.

We hope this experience will give the students an invaluable insight into what is involved, in exhibiting their work, from presentation, to talking to the visitors and getting their feedback. This can be a daunting challenge for even the seasoned artists! This is also a great opportunity for our visitors to see and encourage emerging new talent.

## An Evening with Mark Frith

Growing up Gloucestershire, Bafta Award Winning Film maker and Tree Portraitist Mark Frith, developed a huge closeness to the local ancient character - The Great Oak at Nibley Green.

His recently published book "A Legacy of Great Oaks" accompanied the exhibition of the same name at Kew Gardens 2018/19.

Tyndale Arts Week is delighted to host this renowned artist for an evening talking about his career, and his fascination with Gloucestershire's local natural monuments.
